University of Granada (Spain)  
11-14 September, 2012

---

## CERTIFICATE OF BEST PAPER – CIG'2012

TO WHOM IT MAY CONCERN:

I hereby certify that the paper entitled *Monte Carlo Tree Search: Long-term versus Short-term Planning*, authorized by Diego Perez, Philipp Rohlfshagen and Simon Lucas has obtained the award of best paper in the *IEEE Conference on Computational Intelligence and Games (CIG'2012)* held in the University of Granada, Spain, 11-14 September 2012.

A handwritten signature in black ink, appearing to read 'Leiva', enclosed within a large, scribbled circular mark.

Antonio J. Fernández-Leiva  
Conference Chairman  
Granada, 14 September, 2012
